

Ski-Opening

Ski 3 days, pay just 2.

Are you ready? Ready for the nip of crystal clear air at the tip of your nose, the crunching of snow beneath your skis, and the wide grin that will spread across your face during your first descent? The time has finally come once again: the start of the Bad Kleinkirchheimer skiing season 2025/26!

Offer I: Skiing or relaxing?

So that you can also break in your skis well, we are giving you a ski day for free! During the promotion period you get a 3-day-ski-pass for the price of a 2-day-ski-pass. And even with a 4-day-ski-pass, you only pay for 3 days.

You can look forward to trying out the wide turns on our perfectly groomed slopes. Several accesses to the skiing area and our cable car and lift facilities bring you comfortably and quickly to the summit.

Would you prefer to watch the gentle snowflakes from the warm thermal pools? Then alternatively use the offer for relaxing hours in the Thermal Römerbad (thermal bath area included / sauna area with surcharge).

Offer II: Relax and save.

By showing your guest card or Regionscard you will receive a 15% discount at the Thermal Römerbad. The offer is valid for 4-hour & day tickets Thermal Bath and Thermal Bath & Sauna as well as on massage & cosmetic treatments.

The only question now is: skiing or relaxing?

The above offer is valid from 05 – 23 December 2025.
