

Big fun for small money!

The parent-friendly € 1 ski pass for children

Get out and explore the winter wonderland without hurting your wallet. At Bad Kleinkirchheim childfriendly also means parent-friendly, which is why we are back this year with a € 1 ski pass for children.

Ski with the whole family - and save money at the same time: for every 6-day ski pass for an adult, there is an additional children's ski pass for just € 1 per day! The ski pass is valid between 09.00 a.m. and 4.00 p.m. alternatively (if not already used as a ski pass on that day) as admission to the Römerbad thermal spa from 10.00 a.m. and during the regular opening hours.

34 trails with 103 kilometers of slopes ensure pure skiing pleasure. You can get to the top of the mountain comfortably and without waiting with the 24 cable cars and lifts via five accesses. Wide slopes, Kidsslope with Nox & Nixi and much more make Bad Kleinkirchheim the most family-friendly ski area in Carinthia.

Get your thrills skiing and snowboarding or grab the family and race down the slope on a snow tube or toboggan. The Kaiserburg bobsleigh, the first year-round roller bobsleigh run of the latest generation, gives you a rollercoaster feeling that will definitely be remembered. Bathing fun after a long day on the ski slopes can be found in the Thermal Römerbad. Let yourself be pampered together with your family and immerse yourself in an oasis of relaxation.

The above offer is valid from 7 January - 10 March 2023.
